

TRANSCONA MUSEUM ENDOWMENT FUND

HISTORY

Established in 2019, the Transcona Museum Endowment Fund was created to provide a sustainable source of funding to support our mission to preserve and promote Transcona's community history.

The Transcona Museum has partnered with The Winnipeg Foundation to establish this permanently endowed Manitoba Heritage Trust Fund to support our work.

2747 CAPITAL CAMPAIGN

As the museum began planning for the CN 2747 Protective Enclosure Capital Campaign, the need for permanent, long-term funding became apparent.

A motion was made by the 2747 Committee and starting in January 2021, 10% of all eligible and agreeable donations received for CN 2747 and the GET ON BOARD campaign are placed in our endowment fund for future maintenance and upkeep of the CN 2747 structure and historic locomotive.

MHTP STRETCH DETAILS

Level 1 Stretch (max. \$25,000)

Eligible gifts, up to \$50,000 can be stretched. For every \$2 given to the fund, the program will stretch the gift with an additional \$1 (max. of \$25,000 in guaranteed stretch per organization). This means a gift of \$2 becomes \$3.

Level 2 Stretch (no limit)

After an organization receives its maximum of \$25,000 in the guaranteed stretch, eligible gifts to its fund will continue to be stretched. For every \$2 given to the fund, the program will stretch the gift with an additional \$1. *If the total stretch dollars required exceeds the funds available, a pro-rated stretch will apply.*
